Buyer Agent

-A smarter way to buy-

We save you time, money and stress

Buying property is possibly the most significant investment you will ever make, seeking a licensed buying agent to help makes sense; potentially saving you money and avoiding the many pitfalls.

Buyer's agents are licensed professionals who specialise in searching, negotiating and purchasing property on behalf of buyers.

Waterman Property Advocates buyer agents; based in Adelaide, South Australia, offer professional Buyers Advocacy services and act in the best interest of home buyers and property investors.

We locate, investigate and negotiate your property, whether you want to buy a family home, investment property or a development project.

We are the longest standing Buyer Agent's in South Australia.

Seller Advocacy

-A smarter way to buy-

Real peace of mind - FREE advice for the right price

You have a property to sell in Adelaide but don't know all the in's and out's required, and you want to make sure you engage an Estate Agent who does right by you.

We're here to help.

Waterman Property Advocates acting as your vendor advocate, we'll work with you to find the best agent to sell your property.

We oversee the whole selling process from beginning to end.

We will guide you and answer any questions you have, always acting in your best interests.

Our role is to provide you with honest advice that gets you the very best result.

Are you a vendor or a seller, or are we an advocate or an agent?

It doesn't matter; our service is Free to you!

Property & Estate Clearances

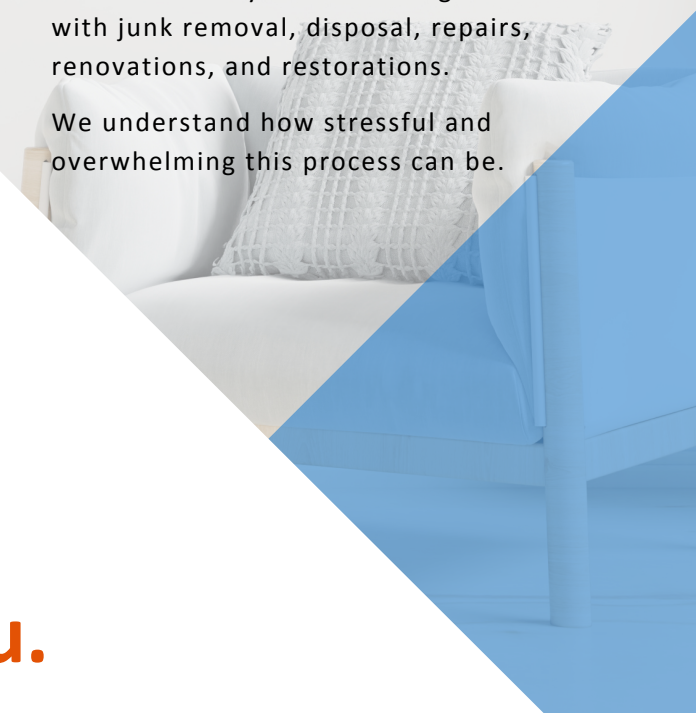

We clear - We clean We improve - We add value

We specialise in the clearing of living and deceased estates in Adelaide and the surrounding environs in preparation for sale or simply to clear the mess.

We provide solutions for executors of deceased estates and property owners, downsizers, hoarders, and those moving into aged care or independent living, with a fast and affordable total property clearance service.

We start by removing what can be donated or recycled then we get on with junk removal, disposal, repairs, renovations, and restorations.

We understand how stressful and overwhelming this process can be.

For Property. We're here for you.
